"A Unit of the Technical College System of Georgia"

Dear Student:

Lanier Technical College uses a selective admission process to enroll students for the Physical Therapist Assistant program. The ATI-TEAS Exam for Allied Health is an admission requirement. Applicants to the PTA Program must take the ATI-TEAS pre-admission test during or after taking the required prerequisite courses. Priority for selection will be given to the students with the highest TEAS percentile scores that have satisfied all prerequisite requirements. Students must score at a minimum of 70% as a composite score. There is a $70.00 fee required to take the test. The test may be taken more than once, but a fee is charged for each test taken**.** ATI-TEAS may be taken no more than two times in a calendar year with 30 days between each attempt. No TEAS test accepted greater than 5 years old. ATI-TEAS Exam scores are available to the PTA program at no additional charge to the student if the test is taken at LTC. All TEAS test scores from another institution must be sent to LTC by the testing agency (additional $25 fee to send scores to LTC.)

To apply for the ATI-TEAS Exam, contact www.atialliedhealth.com (go to Individuals, Students, Pre-Program, TEAS Entrance Exam Prep) to pay for the test online and create a user account ten days prior to the test date.
