### Sample Graduation Plan

## Frequently Asked Questions

- 1. What is a Sample Graduation Plan?** A Sample Graduation Plan is primarily a guide to the order in which program classes should be taken and also a quick reference for program pre-requisites and co-requisites.
- 2. Do I have to follow a Sample Graduation Plan?** No. These plans are examples only and will differ from student to student. For example, a student transferring in credits from another school may jump ahead a semester or a student that needs learning support courses may take longer to complete a program. Also, the plans will vary based on the semester a student is accepted, especially in the case of selective admissions programs.
- 3. How were the Sample Graduation Plans created?** The Sample Graduation Plans were created based on a regular admission student entering during the ideal semester for the program since some programs begin only once or twice per year. **Plans are examples only and will vary by student.**
- 4. What are Pre-Requisites?** Pre-Requisites are courses that must be completed before taking another course.
- 5. What are Co-Requisites?** In most cases, Co-Requisites may be taken at the same time *or* before another course. In some cases, Co-Requisites *must* be taken together. If two courses are Co-Requisites for each other, they must be taken together.
  - Example of *With or Before* Course: BUSN 1440 Document Production has a Co-Req of COMP 1000. You may take COMP 1000 at the same time or before BUSN 1440.
  - Example of *With Only*: BIOL 2113 has a Co-Req of BIOL 2113L *and* BIOL 2113L has a Co-Req of BIOL 2113. These classes must be taken together.
- 6. What is Regular Admission?** Regular Admission means that a student has met all admissions requirements and that the student does not require any learning support classes. LTC's learning support courses are ENGL 0090, MATH 0090, and READ 0090.
- 7. Who do I speak with if I have a question about my Sample Graduation Plan?** Your program advisor is always your primary resource. He/She was instrumental in creating the plan, and he/she will help you fine tune the plan to you individually.
