Automotive Collision Repair

Diploma Program

ACR2

Program Description

The Automotive Collision Repair diploma program is designed to prepare students for careers in the automotive collision repair profession. Academic, technical, and professional knowledge and skills are developed for job acquisition, retention, and advancement. Graduates receive an Automotive Collision Repair diploma which qualifies them as major collision repair technicians or painting and refinishing technicians.

Program Specific Information

Students are accepted every semester based on course and space availability.

Program Length & Availability

3 Semesters

Campus Availability: Oakwood

Admissions Requirements

- Must be 16 years of age.
- High school diploma or GED is required prior to admission.
(Official transcripts or GED scores must be submitted from all colleges and/or high schools attended for credit.)
- ACCUPLACER Testing, or submit SAT, ACT, CPE, COMPASS, or ASSET test scores.

Additional Entrance Requirements:

Students must complete all Basic Skills core courses prior to beginning Occupational Courses.

Students are required to provide a toolbox with basic tools needed for the program. A complete list of required tools may be obtained from the Automotive Collision Repair department.

Financial Aid

This program is eligible for the Pell Grant and may be eligible for Institutional and State Financial Aid.

Contact a Financial Aid Counselor for eligibility requirements and application materials.
