Program Description

The Shampoo Technician technical certificate of credit introduces courses that prepare students for careers in the field of Cosmetology as a Shampoo Technician. Learning opportunities develop academic and professional knowledge required for job acquisition, retention, and advancement. The program emphasizes specialized training for safety, sanitation, state laws, rules and regulations, chemistry, anatomy and physiology, skin, hair and scalp treatments, basic shampooing techniques, reception sales, management, employability skills, and work ethics.

Program Specific Information

Students are accepted each semester based on course and space availability.

Students must complete ALL COURSES with a grade of C or higher in order to graduate.

Program Length & Availability

2 Semesters

Campus Availability: Oakwood, Dawson
