DFTG 1103 Multiview/Basic Dimensioning (4)

**Total: 11 Hours** 

#### **Program Description**

All of the courses in the CAD Operator certificate of credit are embedded in the Drafting Technology diploma and degree programs. The CAD Operator certificate endows students with the prospect to continue on the career pathway toward advancement in the drafting profession. Additionally, the program provides opportunities to upgrade present knowledge and skills or to retrain in drafting practices and software. This certificate could also serve (if needed) as an exit point for high school dual enrolled students needing a point of exit for employment purposes.
