EMPL 1000 *Interpersonal Relations* (2) - OR -
ECCE 1121 *Early ECCE Practicum* (3)

Total: 14 Hours

Program Description

The Child Development Specialist technical certificate of credit is a sequence of five courses designed to prepare students for a variety of careers in the field of early childhood education. The program emphasizes the basics needed for a career in early childhood, but this certificate also includes more content about planning curriculum and working in the field. In addition, the student may complete a practicum and work in a child care program. Graduates have qualifications to be employed in early care and education settings, including child care centers and Head Start.

Program Specific Information

Students are accepted every semester based on course and space availability.
Students must complete ALL COURSES with a grade of C or higher in order to graduate.

Industry Certification Preparation

This certificate meets the Bright from the Start/Day Care licensing teaching credential requirements.

Additional Requirements

The State of Georgia has a law regarding the placement of persons with criminal records in childcare facilities. Anyone who has been convicted of a felony offense, neglecting or abusing a dependent person, a sexual offense, or any other "covered crime" will not be allowed to work in a childcare facility. If you are affected by this law, or think you may be, discuss your situation immediately with your advisor. Because your employment options may be severely limited in the early childhood profession, a person who has received an unsatisfactory criminal records check is discouraged from pursuing this program of study and may need to reconsider their chosen field of study. Prior to beginning clinical/ internship courses, students must order and pay for a background check and meet background check screening requirements as required by the clinical facility. Cost is approximately \$50.

Program Length & Availability

1 Semester

Campus Availability: Oakwood, Jackson, Barrow
