- ECCE 2330 *Infant/Toddler Development (3)*
- ECCE 2332 *Infant/Toddler Group Care (3)*

Total: 15 Hours

Program Description

The Infant & Toddler Child Care Specialist technical certificate of credit is a sequence of five courses designed to prepare students with the basics needed for working with infants and toddlers. The program provides an intense look at understanding and learning activities and proper care needed for infants and toddlers. Graduates have qualifications to be employed in early care and education settings including child care centers, Head Start, and Georgia Pre-K programs.

Program Specific Information

Students are accepted every semester based on course and space availability.
Students must complete ALL COURSES with a grade of C or higher in order to graduate.

Industry Certification Preparation

This certificate meets the Bright from the Start/Day Care licensing teaching credential requirements.

Additional Requirements

The State of Georgia has a law regarding the placement of persons with criminal records in childcare facilities. Anyone who has been convicted of a felony offense, neglecting or abusing a dependent person, a sexual offense, or any other "covered crime" will not be allowed to work in a childcare facility. If you are affected by this law, or think you may be, discuss your situation immediately with your advisor. Because your employment options may be severely limited in the early childhood profession, a person who has received an unsatisfactory criminal records check is discouraged from pursuing this program of study and may need to reconsider their chosen field of study. Prior to beginning clinical/internship courses, students must order and pay for a background check and meet background check screening requirements as required by the clinical facility. Cost is approximately \$50.

Program Length & Availability

1 Semester
Campus Availability: Oakwood, Online
