# Emergency Management

## Degree Program

### EM13

#### Program Description

The Emergency Management Degree program is a sequence of courses that prepares students for positions in the emergency management profession. Learning opportunities develop academic, technical, and professional knowledge and skills required for job acquisition, retention, and advancement. Emergency managers work in a variety of professional settings. There is a critical and growing need for emergency management personnel in public and private areas. The student obtaining a degree in Emergency Management is prepared for employment as an Emergency Management Director for government agencies, private corporations and industry, and education or health care institutions.
