Program Description

The Firefighter II technical certificate of credit is conducted in cooperation with the Georgia Fire Academy and Georgia Firefighter Standards and Training Council to ensure graduates have the skills, knowledge, and credentials to serve as firefighters in paid and volunteer fire departments. The certificate builds upon skills and knowledge acquired in the Firefighter I certificate and parallels the Advanced Firefighter Curriculum being developed by the Georgia Fire Academy. Students must be a graduate of the Firefighter I certificate or NPQ Firefighter I Certified. Program graduates receive a Firefighter II technical certificate of credit. Note: Candidates must be certified at the NPQ Firefighter I level to be eligible for NPQ Firefighter II certification.

Program Specific Information

Students are accepted Fall Semester based on course and space availability.

Students must be 18 years old to sit for ProBoard testing. Tests *must* be taken within one year of program completion.

Additional Requirements

Students must have successfully completed the Firefighter I technical certificate of credit or hold a National Firefighter I certification.

Physical Fitness & Additional Equipment Requirements

This program requires that the student have National Fire Protection Association's (NFPA) Standard 1582, standard on medical requirements for Fire Fighters, or a physician's release to participate.
