Surgical Technology

Diploma Program

ST12

Program Description

The Surgical Technology diploma prepares students for employment in a variety of positions in the surgical field. The Surgical Technology diploma provides learning opportunities which introduce, develop, and reinforce academic and technical knowledge, skills, and attitudes required for job acquisition, retention, and advancement. In addition, the program provides opportunities to upgrade present knowledge and skills or to retrain in surgical technology. Graduates of the program receive a Surgical Technology diploma and are qualified for employment as surgical technologists as well as eligible to sit for the Certified Surgical Technologist (CST) examination through the National Board of Surgical Technology and Surgical Assisting (NBSTSA).

Program Specific Information

See program webpage for admission dates and specific program entrance requirements.

Additional Admissions Requirements

A competitive admission process, including the TEAS entrance exam and successful completion of core courses, is used to select students for the program. Also required for graduation are a specific number of clinical scrub cases. See program webpage for detailed information.

Accreditation

The Surgical Technology program at Lanier Technical College is accredited by the Commission on Accreditation of Allied Health Education Programs (CAAHEP) 1361 Park Street, Clearwater, FL 33756. 727-210-2350.

Program Length & Availability

5 Semesters

Campus Availability: Oakwood

Admissions Requirements

- Must be 18 years of age.
- High school diploma or GED is required prior to admission.
(Official transcripts or GED scores must be submitted from all colleges and/or high schools attended for credit.)
- ACCUPLACER Testing, or submit SAT, ACT, CPE, COMPASS, or ASSET test scores.

Financial Aid

This program is eligible for the Pell Grant and may be eligible for Institutional and State Financial Aid. Contact a Financial Aid Counselor for eligibility requirements and application materials.
