

Fire Service Instructor Level II is designed to meet or exceed the requirements defined in NFPA 1041, 2012 Edition, Standard of Fire Service Instructor Professional Qualifications. Successful completion of the course may lead to the National Professional Qualifications (NPQ) written and skills examination administered through Georgia Firefighter Standards and Training.

Training will consist of classroom, online and hands-on training. Students will prepare a thirty (30) minute presentation and lesson plan that meets or exceeds Pro Board Certification requirements.
