

## **Gene Haas Foundation Scholarship**

The Gene Haas Foundation has provided to Lanier Technical College a scholarship fund that will provide additional financial support benefiting both the college and the people of Northeast Georgia. This scholarship will be awarded to students enrolled in the Machine Tool Technology Program. The Gene Haas Foundation Scholarship funds may be used for direct school costs: tuition, mandatory fees and books. Applications should be submitted prior to the beginning of the semester for which assistance is being requested. In 1999 Haas founded the Gene Haas Foundation. Growing up with a strong social conscience instilled by his family, Haas initially formed the foundation to fund the needs of the local community and other deserving charities. Haas is the owner of Haas Automation, Inc., America's leading builder of CNC machine tools, which he started in 1983. Haas Automation is now a billion dollar company and this extraordinary growth has all come in an era when American's were being told that the United States doesn't manufacture anything here anymore.
