I hereby apply for admission to the ASN Program for **spring semester 2025** and certify this application and the accompanying documentation is both correct and complete. I have read the application packet, and the ASN Program information (which may be found at <https://www.laniertech.edu/programs/healthcare-nursing/associate-of-science-in-nursing/>), including the essential skills necessary for the ASN Program, and the Admission Points Worksheet (all found on the ASN webpage), and viewed the ASN Information Video (referenced above).

I understand the application and selection processes. I further understand that any failure on my part to comply with these processes will result in the invalidation of my application. **I am aware of the competitive nature of the application process for the ASN program and understand that meeting all minimum requirements as outlined on the Admission Points Worksheet does not guarantee admission into the program.**

Please **EMAIL** the completed application packet (**pages 1 – 3**) and all required documentation to the email address below:

ASN-Program@laniertech.edu

Subject line in email should read: Hall Campus 2025 Application

ONLY emailed application packets received by 5PM on December 13, 2024 will be accepted. **ONLY** complete application packets that include the required supplemental documentation will be processed. Hand delivered application packets will not be accepted and incomplete applications will not be processed. *It is highly recommended that documents be scanned in, NOT photographed. These applications will be considered for the **Hall** campus location only.*

Application Status: Please do not call or email to inquire about the status of an application. Once your application packet has been received, you will receive a confirmation email; confirmation may be delayed if the College is closed for any reason. If you wish to know if your application is complete, please read all directions and utilize the checklist below.

Checklist for required documentation for completed ASN Application Packet:

ATI TEAS **Version 7** Exam Score Report

- Include an unofficial copy of your TEAS Score Report with your application (a minimum 75% composite score is required to apply to the ASN program); scores are automatically sent to the location where your test was administered (no cost). Therefore, if you take the TEAS at a Lanier Technical College campus, you will *not* need to have the official TEAS test results transcript sent in with your application documents. If you take the TEAS elsewhere, **you must request that the official ATI transcript be sent to Lanier Technical College (ONLY IN-PERSON TEAS exam results will be accepted; this information will be verified by the application committee)**.
 - TEAS transcript information is found at ATI's website: <https://www.atitesting.com/>
