The screenshot shows a form titled "Select a Term". Below the title is a section labeled "Select a Term for Class Search" containing a text input field with the placeholder text "Select a term...". Below the input field is a "Continue" button.

➤ Use the search feature.

The screenshot shows a form titled "Browse Classes". Below the title is a section labeled "Enter Your Search Criteria" with the text "Term: Fall Semester 2025". The form contains four input fields: "Subject", "Course Number", "Campus", and "Keyword". Below these fields is a checkbox labeled "Open Sections Only". At the bottom of the form are three buttons: "Search", "Clear", and "Advanced Search".

- You can leave any of these fields blank, but the search will work best if you enter a Subject and Course Number.
- You can also check the Open Sections Only box to only view classes with seats still available.
- If you entered criteria and nothing is showing up, go back and take off some filters selected to see if anything shows up at another campus, etc.

➤ Review the key information.
